Affirming the Value and Dignity of Every Cultural Group in America through the Judeo-Christian Ethic that Undergirds our Nation

INTRODUCTION: Our nation has challenges: Youth Education, Morality, Jobs, Crime, and Fatherlessness. Unkept promises. Unaddressed issues from politicians and civic leaders. All this makes our country a difficult place for some to live. The COCS Summit will identify the underlying causes of the problems, including its strategic plan to undermine our Judeo-Christian values and heritage. Our prayerful hope is to offer a fresh perspective with solutions through the eyes of not only first-generation immigrants to America but nationally-recognized leaders.

MISSION AND VISION: The Content of Character Series™ brings timely educational summits to communities. Well-known speakers work with local leaders to inform, educate, and activate through a biblical worldview. This life-changing event examines our contemporary political environment with open and honest discussion.

We identify common ground that rests on the principles of the Judeo-Christian ethic, recognizing our God-given freedoms and networking with all cultural groups as the beneficiaries of His liberty.

COMMUNITY INVOLVEMENT We introduce ministries that can strategically unify the body of Christ for prayer and action locally, in the state, and nationally. We endeavor to identify leaders and participants who will take what they have heard and translate it into action.

Individuals are energized and activated by the boldness of our speakers. What is locked in hearts and minds is released. It raises hope. It permits people to

dream big. It inspires the kind of bravery that can transform lives and communities.

TESTIMONIALS:

"You are addressing the most pressing issue of our time — getting more people to put the God of the Bible back into their lives and the public square, letting Biblical principles drive our governance as well as our private lives."

"This was the most moving, inspiring, and educational events I had ever attended. These nationally regarded speakers today delivered the word of God in a broad range of categories that apply not only to black families, but family all over this country. I'm thankful to my company ... for being a proud sponsor of the event."

"This (Summit) has been an exciting and interesting experience for me. The state of bravery of some of the speakers against what otherwise might not be popular in Black or Hispanic or any other community has been really impressive to me. I certainly recommend to anyone to attend one of the upcoming Summits."

"This has been just a marvelous day in our city, a day that was needed in our city..."

"I do recommend this event. It's been very stirring, very thought-provoking."

"I've learned a lot, a lot of things that I wasn't aware of. I would recommend this to a lot of people my age - even younger, to our teenagers. It was a big breakthrough for me."
