### CALL OF DUTY

The Content of Character Series™ affirms the value and dignity of every cultural group in America through the Judeo-Christian ethic that undergirds our nation. Dr. Rev. Martin Luther King, Jr. envisioned a world where we are judged by the content of our character, not by the color of our skin. This event presents our successes and hindrances in the achievement of that dream touching ALL AMERICANS. Experience the power of one race, one blood, as one in Christ. Examine the difference between social and biblical justice and the cultural information campaign designed to disrupt our Judeo-Christian values. We are called to be part of something bigger than what any one of us can do alone.
